

JASPER C. GINEZ

BSIT Student

ginezjaspher19@gmail.com | (+63)956-990-9653 | 2172B Leveriza St., Malate, Manila

PROFESSIONAL SUMMARY

Dedicated BSIT student aiming to expand technical capabilities. Experience hands-on experience in software development and database handling, alongside a passion for data analysis and cybersecurity. Adaptable, persistent, and committed to continuous learning across various IT fields in a collaborative environment.

TECHNICAL SKILLS

Programming Language:

- Java
- Python
- SQL

Tools & Software:

- Microsoft Excel
- Google Sheet
- SQLite
- Canva

ACADEMIC PROJECTS

Apartease: Apartment Rental Management System (Desktop Application)

Sep – Dec 2025

- Role: Lead Developer
- Designed and implemented desktop management system with a responsive Windows Forms UI layout.
- Integrated SQLite database for reliable data storage, query execution, and user records.
- Built custom validation logic for booking, financial, and record management.

Wine Quality Prediction

Aug – Sep 2026

- Role: Solo Developer
- Built a full-stack web app with Python, Flask, and JavaScript to predict wine quality metrics in real time.
- Developed an end-to-end ML pipeline using scikit-learn, pandas, and joblib, integrated with Google Gemini API for an AI assistant.
- Configured rate limiting, secure environment variables, and automated deployment to Render via GitHub.

EDUCATION

Bachelor of Science in Information Technology
Philippine Christian University
2023 – Present

Senior Highschool (STEM)
Jesus Reigns Christian Academy
2021 – 2023

CERTIFICATIONS

“Advancing Automation and Sustainability: Bridging IT, Engineering, and Smart Solutions for the Future” | Philippine Christian University (2025)

“Building the Future: Real-world Tools for IT and CS Students” | Philippine Christian University (2025)
